### MESSAGE TO CLASS OF 1982

The class of 1982, like the many other classes before it, will enter a troubled society overwrought by unemployment, inflation and crime. These monsters threaten the success of all graduating seniors across the United States, but they pose a particular threat to those who will graduate from high schools such as Malcolm X Shabazz.

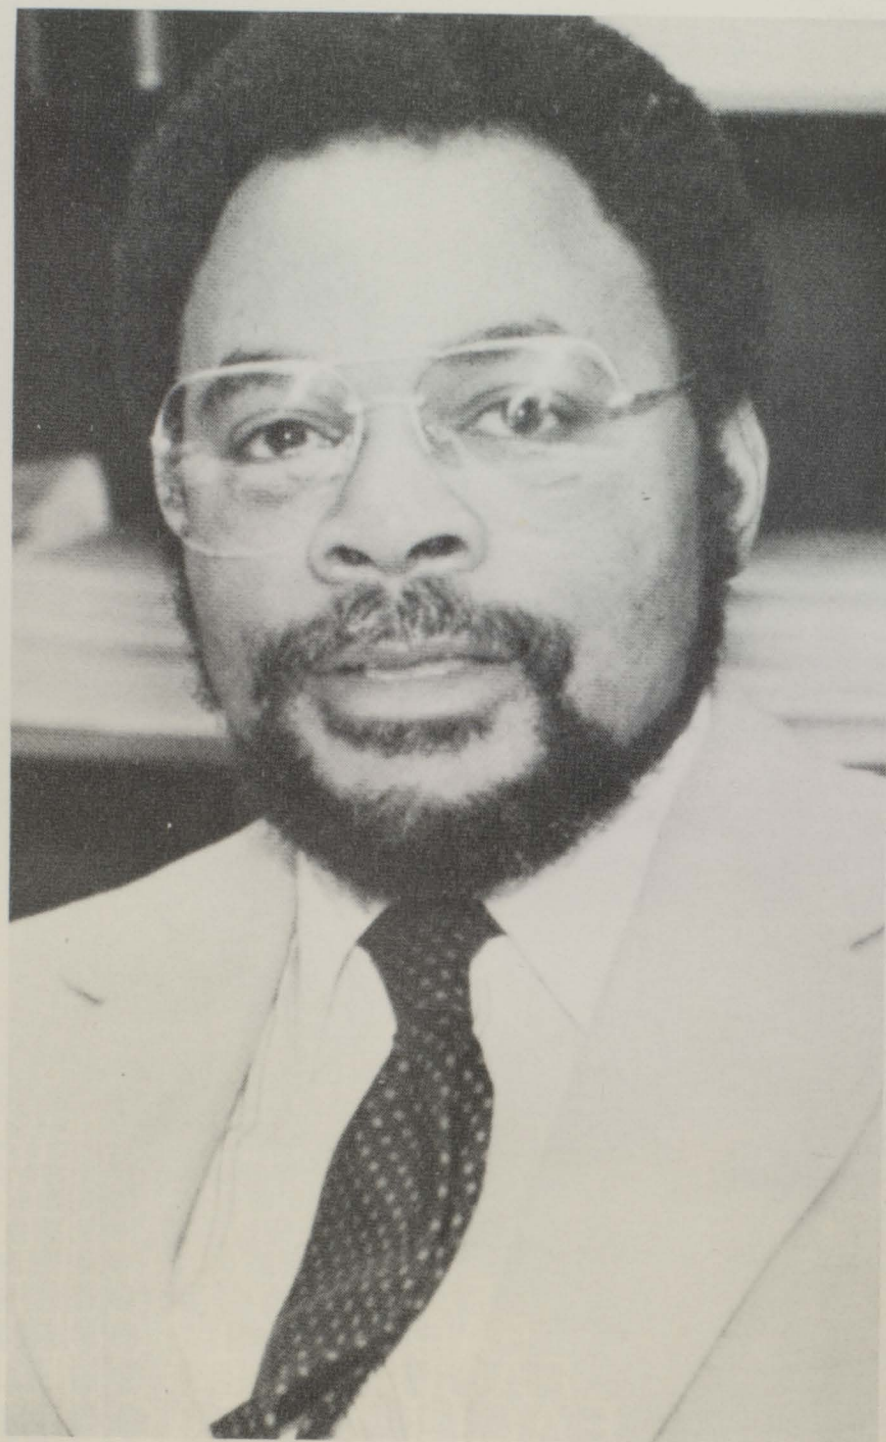

To confront the problem of unemployment, inflation and crime, when one is just starting out, can easily cause a person to develop a distorted concept of life and may even cause him to give up his life's aspiration before he has honestly attempted to pursue them.

There is no doubt that in all probability, the members of the class of 1982 will find it very difficult to find employment; even if they are able to find a job, salaries may not be sufficient to take care of their needs because of inflation.

Minorities are beginning to recognize more than ever before, that training beyond high school is absolutely necessary in order to increase their chances for a good job and a better way of life. As a graduate of the class of 1982, your ability to obtain and hold a job will have much to do with how valuable you are to your employer. Workers with only minimal skills are abundant and easily dispensed of, while those with higher skills and college training are less numerous and consequently are more in demand.

The real way to success lies in how valuable you make yourself to the world. Continuous life-long education is the path you should take if you truly wish to increase the value of your existence for yourselves and others. Better times are coming and when they do, will you, the members of the 1982 Senior Class be able to meet the challenge?

We, the class of 1982, would like to show our deepest appreciation to Mrs. Giranda and Mr. Barrett for showing their support and concern for so many of us. For it was their dedication that made us strive for higher goals and believe in ourselves. This could never repay you for all the time you had spent with us, however it's just to show you that we care.

A large, stylized graphic of a triangle composed of the word 'ACTIVITIES' repeated many times, set against a dark, starry background. The word 'ACTIVITIES' is written in a light, sans-serif font, and the triangle is formed by the words being stacked and slightly offset to create a three-dimensional effect. The background is dark with many small, white stars and a few larger, brighter stars with diffraction patterns.

# Football

The Malcolm X Shabazz football team ended their season on a positive note beating Weequahic High School, by a score of 8-6. The win over Weequahic before over 6,000 fans made the disappointing season a lot easier to take. The game was decided late in the fourth quarter when Shabazz took the ball at their own 30 yard line, and with a perfectly executed drive, marched 70 yards. Senior quarterback Derrick Young scored the winning touchdown with 26 seconds remaining.

The Bulldogs finished the season with a 3-3 record in interconference play, and 4-5 overall. The Bulldogs lost their first two games 14-0 to Valisburg, and 19-7 to Central. Shabazz's first points of the year came in the Central game, as Junior Anthony Oglesby returned a kickoff 95 yards and Willie Mayes added the extra point. In the third game the Bulldogs would not be denied as they romped over Paterson Kennedy by the score of 20-0. In this game the defense led by Vic Foster, Byron Crawford, Ronnie Guyton, Anthony Oglesby and Willie Mayes sparkled as it held Paterson to just 43 total yards.

The next two games produced losses which should have been victories, as Shabazz lost to Barringer 2-0, and Paterson Eastside 8-6.

Games 6 and 7 produced blowouts as Shabazz defeated West Side 25-6 and Eastside High 21-0. The offense was spectacular in both games, rolling up nearly 500 yards in total offense, as Derrick Young handed off the backs Eric Barden, George Mayes, and Carlos Farmer. Young also threw touchdown passes to Darryl Williams and Craig Dunn.

Game 8 was a total disaster as the Bulldogs lost to undefeated Clifford Scott High 20-0. Game 9 was no secret as Shabazz beat Weequahic, Thanksgiving Day in the "Soul Bowl."

On a final note, the football team would like to inform the student body that assistant, Coach Mr. Carl Evans, has announced his retirement. The team would like to thank Mr. Evans for his devotion, love and determination throughout the years he coached.
